

# TEACHER APPRECIATION WEEK

Show Your Appreciation of  
Our Local Teachers  
May 8 - 12, 2023

**SAMPLE SCRIPT:**

Teachers are superheroes in the classroom, and they deserve our support now more than ever. As they navigate new challenges in education, let's show our appreciation by advocating for their needs. Join us in supporting teachers by contacting your local representatives and advocating for increased funding, resources, and support for our educators. Let's make sure that our teachers have the tools and resources they need to provide the best possible education for our children. Thank you to all the teachers out there for the incredible work you do every day. We stand with you.

**Sponsored by: Your Business Name Here**
